

Dominican Sisters of Peace

PROLOGUE DIRECTION STATEMENTS

Called by the Spirit and formed as women of the Church
within the vibrant tradition of the Order of Preachers,
We, the Dominican Sisters of Peace, with our Associates,
journey together, inspired by the wisdom and faith
of our founders and the great cloud
of witnesses who have gone before us,
as we embrace the future with courage and hope.

We are sent by God to be the Holy Preaching
as we praise, we bless, and we preach
the liberating truth of the Gospel of Jesus
and labor with God for the transformation of all creation.

Our call to be peace, to build peace,
and to preach peace requires that we read the signs of our times
and interpret them faithfully in light of the Gospel.

Impelled by God's own Spirit, the Breath of Love
moving through the entire cosmos, we commit ourselves
to seek truth and to speak the truth in love.
