Prayer for Sisters in Initial and Lifelong Formation

Loving God, each member of our Dominican Family is a special gift from you. You have given each of us gifts and talents so that we may enjoy life and also share with others. Generous and loving people are needed for leadership in our Church. Help us to know how to encourage and support each other, and those whom you call, so that we can together respond generously to this need. We know that you will be with us as you invite us all to become the kind of people you desire us to be. Help us to trust in you and in each other. Amen.
