## Lighting the Way IN PEACE

## Peace across Generations

God of all the Ages, as we anticipate your rebirth among us, we ask that we might see the blessing of every generation. May we look beyond our peers to those older and those younger. May we find all the wisdom, joy, and insight you have planted there and may we know your gifts. And may we each discover within ourselves the gifts we bring to this inter-generational world. As a result, may we grow in our own efforts toward peace.

Dominican Sister of Peace  
Maxine Shonk, OP

We preach PEACE by sharing the faith with our youth, facilitating peace within families, and remaining connected to our wisdom figures and the future leaders of our community as we actively encourage vowed religious life.
